KAU QUIETLY CELEBRATED.

STATEMENT ABOUT THE WAIPU. LANI SENTENCE

Japanese Contractor Skips and Leaves His Bondsman to Finish a Public Road.

KAU, July 8.—The Mauna Loa arrived on the 5th inst. from Honolulu; among the passengers is Miss M. McIntyre, who has come to visit her friend Mrs. Monarrat, Kapapala ranch. The Fourth passed off very quietly. At Naalehu there was baseball and other games. At Pahala, horse racing and Japanese wrestling.

Mrs. Tilden, Miss Tilden and Mrs. Crosby from the University of Minnesota are visiting Kau for the purpose of gathering sea weeds and other specimens of marine botany.

Mr. Thomas Lee has left Kau to accept a position of sugar boiler at Honolulu.

The gripe is prevailing here; there are about 150 cases in the district, some of which have been very severe.

Nakano, the Japanese who took the contract to build the road through the Ninole homestead, has shipped, leaving a number of creditors to mourn for him; his bondsman, Chas. Macomber, has undertaken to finish the road.

Naalehu and Pahala mills are both grinding.

The Mauna Loa leaves with a full load of sugar and leaves about 10,000 bags behind.

Mr. Walter, manager of the half way house, has had his house renovated and everything looks tip-top. He is always on hand to supply the weary traveler with a meal.

The Star of June 26th made an unjust attack on Judge Waipulani in the Johnny Floucom case. There are always two sides to a story; and if the Star took the time to enquire they would find out that three months before a warrant for the boy's arrest was applied for; this was for theft. The judge refused it because the boy's mother was sick; but when the boy committed the offense again a warrant was again asked for and issued. The boy was arrested, given a fair trial, and, after listening to the testimony, the judge found him guilty.

Now, if the boy was innocent, then it is the witnesses that are in the wrong, not the judge. Judge Waipulani is held in the highest esteem by the residents of Kona and Kau, and has had an honorable record as a member of the legislature.

We are having strong trade winds and no rain.

Here's a Georgia obituary at which the unorthodox will probably shrug their shoulders: "In politics ten years; in heaven now."

THE JOYFUL NEWS

MISSION'S NEW HOME.

Will be Dedicated by Local Christian Workers Friday Night—

Address by McComb.

The Joyful News Mission was established by J. Leslie McComb on May 29th. It has been an uninterrupted success. It has reached sailors and soldiers and others outside of the churches and brought them to the cross.

The work of the mission has been enlarged, and from a small beginning it now waters a former desert with spiritual truths. The growth of the work has necessitated larger quarters and Mr. McComb has secured the American League hall, corner of King and Nuanu streets, where he will carry on aggressive evangelical work not reached by the churches.

On Friday evening the opening services will be held. Professor Hosmer and other well-known Christian workers will participate in the exercises. Mr. McComb will deliver an address.

METHODIST CHURCH SOCIETY.
Ladies Give an Enjoyable Lawn Party at the Cottage.

The ladies of the Methodist church gave a very enjoyable lawn social last night at the church cottage.

The following was the program: Hymn, "All Hail the Power of Jesus' Name," recitation, "Kentucky Belle," Miss Addie Farmer; quartet, "Speed Away," Abernathy, Moon, Chamberlain and Pearson; recitation, "Awfully Lovely Philosophy," Mrs. J. M. Moore; comic duet, "A. B. C.," H. Chamberlain and A. Chamberlain.

There were 150 people present. The ladies realized \$50 from the sale of boxes.

ADVANCE IN REALTY PRICES.
An Idea of it May be Obtained from the McIntyre Sale.

Some idea of the advance in realty in Honolulu may be obtained from the sale of the McIntyre residence on King street. The property has been sold, as announced in the Republican, for \$39,500. In 1854 it was purchased by the McIntyre's for \$3000. The lot is 53x115 feet. In the same year the McIntyre's bought from Bob Davis, who was in straitened circumstances, 80x30 feet on Fort street for \$3000. J. T. Waterhouse at the same time purchased 60x40 feet on Fort street, adjoining the McIntyre purchase for \$3000. The Jordan store now occupies one of these lots and the Boston new building the other.

No Quorum Present.

There was to have been a meeting of the Republican Territorial Central Committee last evening at 9:30, but as a quorum was not present no meeting was held. But three of the committee were present and some members failed to receive notification of the meeting.

Officers Elected.
The following have been elected officers of the Pioneer Building and Loan Association: President, Theodore F. Lansing; Vice-president, Arthur A. Wilder; Secretary, A. V. Gear; Treasurer, C. B. Gray; Attorney, A. G. M. Robertson.

Social Philosophy.
Some people have a way of doing nothing that makes you mad.

It takes longer to recover from a good time than it does to have it.

An Atchison woman who has one guest refers to her company as a house party.

Fat people no doubt suffer as keenly as lean ones, but somehow it looks funny to see fat people weep.

We imagine that it would be easier to be old-fashioned and have babies, than to belong to women's literary clubs.

The average woman imagines she looks pretty in her nightgown with her hair down her back, but she doesn't.

A "particularly fine program" at a meeting of a woman's literary society always reminds us, somehow, of a girl's "great secret."

An Atchison girl who imagines she has a proud imperious manner would be surprised to know that her friends speak of her as "spitfire."—Atchison Globe.

This is the season when the guest of honor gets the only piece of the spring chicken that has meat on it, and the members of the family crack bones and look on.

When a dressmaker lays aside her needle long enough to attend an entertainment, it means that she made some of the dresses that will appear on the stage, and wants to see how they hang.

When we eat some pie crust, we are reminded that the teeth man made for the saw are an improvement upon those the Lord made for man.
